SUBMARINE TORPEDOES TRANSPORT

Slowing Up of Germans in Poland Thought to Be Forerunner of Great Attack.

LONDON, Aug. 4.—A Copenhagen dispatch to the Exchange Telegraph Co. says that cannonading has been heard off Gothland, a Swedish island in the Baltic, which is attributed to the Russian fleet striving to prevent the Germans from landing troops on the Courland coast.

BERLIN by wireless via Sayville, Aug. 3.—The Overseas News Agency tonight made public an Athens dispatch stating that a German submarine had sunk the British transport Arneuros and that a majority of the crew were drowned.

LONDON, Aug. 3.—The stubborn resistance which the Russians are offering to the Austro-Germans and the slowness with which the forces of the invaders have been able to move during the last few days has led to the belief in some quarters that the German supply of ammunition is scarce. Previous experience with German tactics, however, has been that a temporary slowing down was followed soon by greater efforts.

BERLIN, via wireless to Sayville, Aug. 3.—General von Buelow's cavalry, which swept through Mitau Sunday, now is only 20 miles from Riga, the most important port on the Baltic Sea. Further progress also has been made by General von Mackensen, and his force has filled the gap in the semi-circle about Warsaw. General Von Hindenburg is standing firm in front of Warsaw and is shelling the forts with 16 and 17 inch shells.

PETROGRAD, Aug. 3.—Big guns today were the weapons upon which the Teutons werep lacing their main reliance in the final destruction of Warsaw's last defenses.

Marshal Von Hindenburg, apparently unwilling to suffer the enormous loss in men which the storming of the forts would entail, was placing hundreds of huge howitzers in position before both Warsaw and Novo Georgievsk.

At one point 150 cannon were concentrated and an unceasing fire was poured into the Russian defenses. The German ammunition seemed inexhaustible.

NO CONCESSIONS IN BRITISH NOTE

WASHINGTON, Aug. 3.—Great Britain's note in reply to the protests of the United States concerning the embargo on trade with neutral countries in the war zone contends that changed conditions of warfare require a new application of the principle of international law.

The advent of the submarine, the airship, and the alleged atrocities by German troops in Belgium are cited as justification for the exercise of extreme measures. The blockade is justified on the ground that the universally recognized fundamental principle of a blockade is that a belligerent is entitled to cut off "by effective means the sea-borne commerce of his enemy."

Two Injured in Crash of Auto and Cyclist

W. N. Younglove Pinned Beneath Machine in Crash on Nevin Avenue

In a head on collision of a motorcycle and a Ford touring car yesterday afternoon at Wilson and Barrett avenue, W. N. Younglove was pinned underneath the automobile and Sam Morgan, who drove the motorcycle, suffered a severely wrenched wrist and various bruises.

Younglove, who is connected with the Miles Standish garage, Twenty-second street and Macdonald avenue, was trying out the Ford automobile, belonging to Fred Rader, parcel post carrier. Sam Morgan, with two other motorcyclists, came rapidly down Nevin avenue. Two of them avoided the automobile, but Morgan crashed straight into the radiator.

The auto turned turtle and the motorcycle was reduced to scrap. Younglove was caught underneath the car. Two of the motorcyclists extricated him. He was taken to his home at Twenty-second and Nevin and Dr. Cunningham was called. It is believed he is suffering from internal injuries. No bones were broken. Dr. Cunningham is making an X-ray examination today.

The Ford was badly wrecked.

Rev. Guy A. White Accepts Call to Walnut Creek Pulpit

Rev. Guy A. White, for a number of years pastor of the Presbyterian church here and one of the most able of the bay section, has accepted a call from the Walnut Creek Presbyterian church and will take up his work in that town in the near future. He is at present visiting with his wife's parents on their ranch in Placer county.

During Rev. White's stay in Richmond he greatly increased the attendance of his church. The present Presbyterian church was built to a great extent through his efforts.

He was always active in county Sunday school work, and is manager of the County Women's Christian Church Union. It is considered fortunate that though leaving Richmond, he is not lost to Contra Costa county.

Memorial Evening of Miramar Chapter is Brilliant Event

Probably the most successful social and memorial evening ever enjoyed by Miramar chapter of Eastern Star was the celebration of the 13th birthday of the lodge, held last night in Fraternal Hall. Past officers of the lodge presided in the various offices and the initiatory work was exemplified by them. Over 100 were present, which included many visiting matrons from Oakland, among them being Grand Matron Mrs. Herrick of Wisconsin, Worthy Matron Mrs. Stiver of Acantha, and Matrons of Athens, Unity and Oakland chapters. Mr. and Mrs. Charles Humpher and Mrs. Anna Coward of Riverbank were present.

The past officers who presided were Lillian Blake, matron; Lucette Dunlap, associate matron; Alice Runyon, conductress; Mary Fitzpatrick, associate conductress; Emily Axtell, Adah; Mary Hopkins, Esther; Dr. Barney, secretary; Phalen Church, treasurer; Harry Ells, warden; Rev. Lindsay, chaplain.

During the program or the evening Mrs. M. Swartz sang a solo, and following the program a beautiful luncheon was served in the banquet room, which was decorated in white and yellow and the table was strewn with Shasta daisies. About the tables talks were made by past and visiting matrons.

The boats will leave sharp at 7 a. m and 9.45 a. m.

MILTON A. NATHAN.

AUTOS BUMP; FENDER BENT

The rear fender of Isaac Lester's automobile was badly bent yesterday afternoon on Macdonald avenue, near Sixth street, when the car driven by John W. Johnson of Rumney, Ind. bumped into it.

Rumney, with his wife and children, is touring the West, having motored out from Indiana. He gave Lester his address and agreed to pay the repair bill.

TO HOLD BIG MASS MEETING

Tonight a mass meeting of the residents affected by the opening of the hill boulevard on the west side will be held in Washington school. The Point Commercial Club asks for a large attendance.

The important question of whether the boulevard will be paid for by district or adjacent property assessment will be decided. A report from City Engineer Chapman will be given.

ALL READY FOR NEXT SAT.

Abandon Proposed Parade Up Market Street So That Children Can Go by Boat.

Richmond Day at the Exposition is going to be pre-eminently a children's day, and not a real estate advertising day.

This was decided as the big committee meeting in Lincoln school last night. The enjoyment and transportation of the Richmond school children is the paramount consideration of all of the committees now working for the success of what now promises to be the most successful and real good accomplishing day ever held at the Exposition. all children who are unable to pay the day's expenses of 50 cents will be provided with tickets. By this means it is thought that 500 kiddies who otherwise would be unable to attend may be able to do soo.

To make the attendance of a large number of children possible the auto parade up Market, to which there were several objections made, was canceled, and the children will travel direct to the Fair grounds via the street cars and the Key Route. Traffic Manager Brown reduced the price of the transportation and admission to 50 cents.

The matter of determining what children shall go has been left to D. J. Hall of the Social Service Bureau, assisted by the Superintendent of Schools, W. T. Helms and the teachers.

NICHOLL GIVES $100.

The financing of the day bids fair to be successfully solved. Tag day netted $135, John Nicholl donated $100 to send 200 kiddies to the Fair, the whist party on Thursday night, it is thought, will yield between $75 and $100, the city has $200 to use for the day, and with the possibility of more money being obtained from the Richmond Industrial Commission, which meets today, the total will be brought up to about $650. City Treasurer Ira Vaughan was unanimously elected treasurer at the meeting last night, and at his request an auditing committee of C. J. Crary, McVittie and W. L. Ballenger were named.

COMPETITIVE DRILL.

A big competitive drill has been arranged between the drill teams of the local lodges of Moose, Knights of Pythias and Modern Woodmen, and will be held on the Marina during the early afternoon, for a handsome loving cup. This feature has been arranged for by the fraternal committee, headed by R. L. Fermate.

The remainder of the program is shown in an adjoining column.

MUSIC.

Twelve pieces of the Richmond Concert Band will accompany the children, furnishing music to make the journey enjoyable. Other bands will meet the Richmond delegation of parents and children on their arrival at the grounds. Orchestra music will be furnished throughout the afternoon in the ball room of the California building for those who desire to dance.

FACTORIES CLOSE.

The committee to interview local factories reported that as far as practicable all of the plants would close down for the day. All members of the competing drill teams will be excused from work. The automobile committee was detailed to interview the local stores with a view towards closing on that day.

HIGH SCHOOL GIRLS DECORATE.

On Friday afternoon a number of the girls of the local high school will decorate the Richmond booth of the Contra Costa exhibit in the California building.

Lunch will not be provided for the children in the grounds and they or their parents are requested to take their lunch with them. The little girls are also asked to dress in white. It is hoped that many parents will attend to assist in taking care of the children, although protection and care will be provided and mothers need not keep their children home on that account.

Chief of Police Charles Walker further states that his aides will see to it that the children are well looked out for.

A class of 15 was initiated last night by the Modern Woodmen of America. It was made a gala occasion and a banquet was served following the ceremonies. The work was put on by the crack drill team of the lodge under command of Captain McCausland.

FAVORS SEAMEN'S LAW.

"The seamen's act should stand exactly as it is, at least until the need is shown for amendment. The protest sent up by the steamship interests is entirely too self-centered to be accepted without scrutiny," says the Washington Post in a leading editorial.

This newspaper refuses to take the word of shipping interests and allies on the question and declares the companies are "trying to stampede" the national administration into repealing the law by predicting the speedy death of all steamship lines.

"The law is not destructive of the merchant marine," says the Post. "It does require additional precautions which cost some money. It provides that 75 per cent of the crew shall be able to understand the orders given by the officers. Is that unreasonable? What would be thought of a general sending a regiment of soldiers to protect the people of a city and permitting an arrangement whereby the soldiers could not understand the orders of their chief? A ship at sea meets conditions comparable to those of war and fire, where instant teamwork is necessary to prevent wholesale loss of life. A concrete case of disaster on account of inability to understand orders was that of the steamship City of Rio de Janeiro, lost at the entrance at the Golden Gate in 1901. The Chinese crew could not understand the orders of the American officers.

"The seamen's act also requires better provisions for lifeboats and life rafts. Do the steamship interests object to this? If so, let them object. The country will not approve of a return to the old deadly dangers merely because safety appliances are an expense to the steamship companies. The public pays the bill in any event."

ANOTHER CRISIS.

We are a wonderful nation. For the last twelve months we have been facing one crisis aftr another. The Mexican situation reaches a crisis every once in a while, our diplomatic relations with Germany and England are strained "to the breaking point." Life, it seems, is just one diplomatic crisis after another.

NO VIOLATORS.

Not one "probationer" out of a total of 631 violated his parole in San Francisco during the month of July. More than $23,000 was earned by these men, and merchants and families were reimbursed $1369.68 by them. More conclusive proof than that cannot be cited to prove the good, sound sense of the probation idea.

'THE TROUBADOUR' AT THE LYRIC

At the Lyric today is the Big U Star feature in two reels, "The Troubadour." The film is one of exceptional interest. The plot is laid in the Southwest and Mexico, and depicts the adventures of a convent girl who is abducted by a Spaniard. Her lovor, the troubadour, is suspected and arrested. His thrilling escape and return in time to save him forms the climax of an excellent film.

The moderate prices and the quality of the shows of the Lyric theater are building up a splendid patronage for the place.

WRESTLE TO SETTLE OLD GRUDGE

Old scores will be settled at Floyd's Skating Rink Fight Arena next Tuesday night, when Pete Buzukos, the Greek Lion, welterweight wrestling champion, meets Jim Morgan of Oakland, former National amateur champion, and considered now the middleweight wrestling champion of the United States. The Greek wrestler weighs in at 145 pounds while Morgan weighs 165.

Last week when Buzukos so easily defeated Steve Oneto, the Italian champ, Morgan was on hand to challenge the winner, which challenge was accepted by Buzukos, and they have now agreed to meet for a side bet of $100. Morgan claims to be the only wrestler besides the great Santel who has ever thrown Buzukos. Santel, who is a heavyweight wrestler, threw Buzukos at Dreamland Pavilion, San Francisco, and Morgan claims he threw Buzukos in Oakland at the West Oakland Club. Buzukos denies this, however, so the Richmond fans will have a chance to find out who is the best man next Tuesday night.

To win next Tuesday's match means a great deal to either of these boys. The winner of the match will be the undisputed champion of these parts and will be a big drawing card. Now that the ban of the law has been placed upon professional fighting, wrestling is becoming a very popular sport with the San Francisco fans. In the East interest in wrestling far eclipses boxing and indications are that it is taking hold on the coast. So this fact, together with the fact that these boys are wrestling for a big fat side bet, means that they are going in to win the best they know how.

REALTY MEN TO TALK CONTRACTS

A meeting of the Industrial Commission committee, named to discuss the switching of contracts, will be held today in the Hotel Sutter, San Francisco, at noon. All local realty operators are urged to be present in a letter sent out by H. W. Wernse, who says:

He also won the first prize last night. Ruth Rosier won the second, while F. E. Kline won the third prize. The committee that is responsible for the success of the series was composed of the following. Mrs. W. A. Vickery (chairman), Mrs. F. Nee, Mrs. C. Pierson and Mrs. Marie McNeil.

Excellent Bill of Games Scheduled

With the trouncing of Sebastopol by the Petalumans, the Elk-Sage Hen game at the Feathered City on Sunday has enveloped itself in more than usual interest, even among games that have formerly been played between these two teams.

Local fans are strong for Benham, the mainstay of the Sage Hens, and are anxious to see him perform, so that the excursion to that city promises to be a huge one. Further, let it be understood that the trip will NOT be a la Grace Barton, but a la Ellen and N. W. P.

Indeed it is a most beautiful schedule which has been doped out for the local fans for the remainder of the month. Here it is:

Aug. 8—Richmond vs. Petalum., at Petaluma.

Aug. 15—San Francisco Moose vs. mond, here.

Game preceded by second competitive drill between the Modern Woodmen and the Moose Defenders.

Aug. 22—Richmond vs. Sebastopol at Sebastopol, last day of the Gravenstein Apple Show.

August 29—Petaluma vs. Richmond, thee.

September 5—Probably Martinez vs. Richmond, here.

September — —Sebastopol vs. Richmond, here.

WITH THE CONTEMPORARIES

Vallejo Paper Devotes Three Columns to Description of Sunday's Game.

In one of the greatest baseball battles that has been waged in the bushes for many years, Martinez, with the aid of our own Bill Culver, won over Bill Luce's Richmond Elks at Martinez yesterday afternoon by a score of 2 to 1. It was one of the greatest games that the transboy fans ever witnessed and they showed their appreciation by turning out in large numbers. An excursion from Richmond, bus loads from Vallejo and a delegation of Schinkle rooters from Cordelia traveled to the front.

Schinkle, one time pride of the Sperry Mills of this city, opposed handsome Jack Killilay on the hill, and notwithstanding the fact that he pitched grand ball, Schinkle had to be satisfied with the short end. The ex-coaster had the stuff and he delivered for Martinez. He allowed but five scattered hits, one each in the third, fifth, seventh, eighth and last session.—Chronicle.

Petaluma Paper Tells How the Sage Hens Pecked the Gravensteins.

Third inning.

O'Hara lifted a high fly to Scanlon.

Lasater whiffed.

Benham singled to center.

Menges planted one in the same spot.

Benham kept right on going and went into third base like a snowplow in the high gear, barely beating Reed's throw. Menges took second on the throw.

With two down and two on, there was a tense situation—just for a minute.

Benham caught Kremer off his guard and beat it for home.

Kremer, taken unawares, hurriedly threw the ball to Cunningham.

It was a fat one.

There was nothing on it but the cover.

Just as Benham was about to spike the plate Croll smacked the fat one into exactly the same spot that had been selected by Benham and Menges—a nice little vacant spot about 40 feet back of second base.

Croll was barely on his way before Benham spiked the plate and Benham had to hustle to get out of the way of Menges, who was right at his heels with the second run of the inning.

It was snappy baseball and there was some noise in which, strange to relate, the 300 fans from the Gold Ridge section did not participate.—Argus.

COMING EVENTS.

Aug. 3—Whist party by Women's Label League, Polytechnic Hall, Fourth and Macdonald. Prizes, refreshments and dancing. Score cards 25 cents.

August 4—Fourth and last game of A. O. F. whist, series in A. O. U. W. Hall.

August 7—Food sale by Christian church Ladies' Aid at Fischer's grocery store, Fourth and Macdonald, 12 to 5.

August 10—Whist party at Richmond Club in the afternoon. Score cards 25 cents.

CUBS WIN GAME

The Aeolians of San Francisco were outplayed by the Cheek Cubs Sunday. Bradley held them to three hits and four runs, while his teammates were able to amass ten runs and 14 hits off of Lay.

Montoiza caught Bradley and Davis caught Lay. The other eight men of each team made six and three errors.

WINEHAVEN JRS.

According to Walt McGoowan, Sunday's game played at Bushrod Park, Oakland, was a regular game with the exception that it was called in the fourth inning, and the opposing star pitcher was switched to shortstop.

WINEHAVEN.

The game scheduled by Winehaven at the Luce Park grounds was a big disappointment to the crowd of fans that gathered, as the opponents, first the Bertillions and then the Fruitvale Native Sons, failed to appear.

The time was spent in practice.

POINT ATHLETES.

The Haight street Merchants of San Francisco failed to appear on the west side grounds Sunday morning to play the game that they had scheduled with the Point Athletes.

COAST LEAGUE

Less than two games now separate the Angels and the Seals.

* * *

The brine of the Salt Lake was evidently too much for the Seals yesterday. The Angels found it easy to keep out of the splash of the Beavers and the Oaks found the Tigers' claws too much for their bark.

ANTE BELLUM DRAMA IN FILM

"Colonel Carter of Cartersville" at the Richmond Theatre today. From F. Hopkinson Smith's great story of the Civil War.

"Colonel Carter from Carterville" is the title of the romantic drama from the old ante-bellum days, whence its central figure passes, to be sheared by the wolves of Wall Street. It is based upon the book of the same name and with Burr McIntosh in the leading role. This is a splendid story, in which the romantic lovers will have a full measure of thrills.

A two-reel Biograph, "The Maid o' the Mountains," and the Vitagraph comedy, "Almost a Hero," will round out a splendid bill. These three numbers are very diversified and should prove very attractive offerings.
